LOAN SERVICING SOFT HMDA Data Entry and LAR Report

This document will guide you through the process of entering your HMDA data and then doing your LAR reporting in LOAN SERVICING SOFT.

For additional information and/or questions please feel free to contact our support group at support@loanservicingsoft.com or 1-800-993-1839 x2.

Notice: Starting in January 2018 HMDA data needs to be collected on various borrower real estate applications, including business purpose loans. The LAR report with this data will then need to be submitted to the CFPB by March 1st, and then this process will need to be repeated annually.

<u>There are some exceptions to this new rule and we have put together an</u> <u>additional document covering this subject. Please see our How To Doc library and</u> <u>look for "LOAN SERVICING SOFT HMDA Reporting" for more information. We</u> <u>would also recommend visiting the CFBP's website and consulting an attorney.</u>

Where to enter the HMDA Data

Below are the areas that must be completed in order for the HMDA reporting to be processed completely:

1. Click on the "Borrowers" tab on a loan, then double click on the borrower:

Submitting the LAR Report

As stated above you should be gathering this information throughout the year as part of your R.E. application process. The LAR report will then need to be submitted to the CFPB every year by March 1st, for the previous year. For further details on loading and generating the LAR report please reach out to our support group for assistance.
