

Escrow Impounds

Both Initial Analysis and Annual Analysis processes can be ran from this Tools dropdown.

Setup the amount you would like added to your borrowers payment here.

Setup the scheduled payments out here.

Annual Analysis date here.

The screenshot shows the 'Escrow Data' window for loan C-2. The 'Escrow Data' section includes an 'Escrow Account' dropdown, a 'Balance' field (0.00), and a 'Perform Annual Analysis On' dropdown (4/4/2014). The 'Escrow In' table has columns for 'Amount', 'Valid From', 'Analysis Date', and 'Description'. The 'Escrow Out' table has columns for 'Item Type', 'Pay When', 'Amount', 'Pay To', and 'Disabled'. The 'Loan Features' dropdown menu is open, showing options like 'Enable Escrow', 'Enable Closing Details', 'Enable BRE Details', 'Enable Encumbrance', and 'Enable Metro 2 Reporting'.

Enable Escrow Impounds on a loan by loan basis here.
